

IRREGULAR VERBS STUDY GUIDE

Verbs with [N] in as the last letter of the Past Participle

Verbs with Vowel Changes

Top Tips for learning Irregular Verbs

1. Group the Irregular Verbs together and drill them.

- I've already done the grouping part for you. All you have to do is practice them!

2. Do some drilling practice.

- When drilling the irregular verbs, try getting into the habit of always saying the past participle with [have]. This little trick will help you always to remember to form the present perfect properly.
- First drill the verbs according to their group patterns.
- The next step is to drill them randomly.

3. Learn the meanings of each unknown verb and practice them in Past Simple and Present Perfect sentences.

- Make a vocabulary journal and make your example sentences group by group. Don't feel like you need to do this all in one day. Take your time!
- Your journal could look something like this:
